The appearance and goalscoring data has been complied from the Comet system or team cards received

The 'Formed' date is based on when the team first played a game, some clubs may have been established the previous year.

Clubs Appearances and goal scoring records are compiled from only the top three grades each year since 2005.

## 2021 Season Review

by Dave Webster

### W-League

Pre-season saw what is unfortunately now becoming too regular, the withdrawal of one of the previous years W-League teams. This season it was Western Suburbs who had finished 6th that withdrew before the season started.

It meant that the W-League would be played as a seven team league as none of the eligible premier division teams wanted to take the W-League spot. Despite this the league was pretty competitive with just 11 points separating the top five teams.

It was to be **Wellington United's** year again, coach Maika Ruyter-Hooley leading the Diamonds to their fourth title in a row. It was a slow start with a late 2-1 win over Waterside Karori before a first ever home loss to Wairarapa United. After that they dropped just one more game as they stormed up the table to secure the title. Jemma Robertson again led the way with 12 goals but it is probably more their miserly defence that should get the plaudits this season, conceding only 12 goals all season. This was shown when defenders Zoe Barrott & Jemma Catherwood were called up for the NZU20 training camp along with striker Pepi Olliver-Bell.

Palmerston North Marist finished runners up for the second year in a row. Barry Scullions team knew how to score goals banging in 54, with Michaela Boxall (15) & Charlotte Lancaster (11) leading the way. Five times they managed to score six or more goals in a game including a 8-0 thrashing of Waterside Karori. They spent most of the season in the top spot but a surprise 3-2 loss to Petone mid season, left them needing to beat Waterside Karori and Wellington United in their final two games, a 2-2 draw and 0-3 loss respectively saw them finish in the runners up spot for a second year in a row.

Playing wise Charlotte Lancaster, Aniela Jensen & Kate Bennett were all called up to NZ training camps.

**Waterside Karori** had the smallest squad in the league using just 18 players all season. A slow start saw them lose their first three games, including an out of character 8-0 loss to Palmerston North Marist. After those losses they dropped just four more points all season, managing to beat Wellington United 3-1. But it was the slow start that cost Sam Morrissey's team and they had to settle for third place. Kayley Ward top scored with 15 goals. If they had a reserve team they could've proved a real threat to the dominance of Wellington United.

**Wairarapa United** started with a bang losing just one of their first seven games and managed a first ever win away at Wellington United. However they then collapsed winning just one of their last five games and finished in fourth place.

Coach Paul Ifill landed the job as the Samoa National Women's team coach and this helped him in attracting Samoa International striker TJ Lynne-Lewis from Palmerston North Marist. She went on to be the league's to scorer with 18 goals. Tui Duggan was called up to NZ age group camps, while midfielder Kennedy Bryant was named the player of the year for the league.

**Petone** had a new coach in Elliot Taylor who had moved from North Wellington. He built a young team around older heads Libby Boobyer & Ellen Fibbes and had them playing attractive football and made them a very hard team to beat. They managed to take points off every other team in the league with the exception of Wellington United who beat them by one goal in both games. The points they did take off other teams proved to be crucial in deciding the title race. Libby Boobyer scored six goals in the league and had a great season on the field.

At the bottom of the table it was **Victoria University** & **Seatoun** battling it out to avoid the wooden spoon. Both teams had very similar seasons using 30 or so players. Both managed only one win each - against the other. Both conceded five or more goals on at least seven occasions. Victoria University managed a 0-0 draw against Petone and that result gave them sixth place one point above Seatoun.

### Women's Premier

Four goals is what it came down to! North Wellington scored 43, Wellington United Sapphires scored 39 and that's what won them the league title after both teams ended with an identical record of winning 10, drawing 3 and losing 1 with a goal difference of 29.

The title was decided on the last day of the season, North Wellington were at home to Kapiti Coast United while Wellington United Sapphires were taking on Upper Hutt City. Going on the results of the season it was fair to say both home teams were likely to win. The Sapphires stuck to the script beating Upper Hutt City 7-1. Kapiti Coast United however didn't upsetting North Wellington 3-1, the one goal from North Wellington's Jade Heather proving crucial in them winning the league.

**North Wellington** had the smallest squad in the league using just 20 players. It was a young squad helped out by veterans in Cushla Litchwark, Carena Oosterbaan and Nicola Ingham, players who would have been playing senior football before many of their teammates had even been thought about! Mark Oates managed to get them playing together and lost just the one game. Ashleigh Mason led the attack with nine goals.

**Wellington United Sapphires** used 34 players, the most in the division, as the club continued their development plan of bringing through youngsters. The average age of the team being 18. Liv Deane top scored with 11 goals, while several of the team also got the chance to make their debuts for the Diamonds in the W-League. Lara Smith was called up to the NZU17 training camp.

While it may have been a surprise to many that **Kapiti Coast United** beat North Wellington in the last game of the season, no doubt Sean Kelly and his team would argue otherwise and the fact the finished with 31 points just two points off the top two backs this up. In fact they managed to take points off every other team in the league. Madison Beetham top scored with nine goals.

**Upper Hutt City** who have been in a rebuilding phase over the last couple of seasons since withdrawing from W-League in 2020, made it back in to the Premier Division after winning Division 1 last season. They took to their new league in a great way losing only one of their first five games and nine times scoring four or more goals in a game. Becky Stewart led the way with 16. Three losses in the middle of the season and then a draw and a loss at the end saw them finish in fourth position, seven points off 3rd.

**Island Bay United** (IBU) and **Brooklyn Northern United** (BNU) filled out the role of mid-table teams. BNU had a horror start picking up just one point in their first five games but they recovered and like IBU won five games. Both scored and conceded a similar number of goals, IBU picked up one more draw than BNU giving them fifth place over BNU.

**Victoria University Reserves** had issues finding the goal, having eight games where they failed to score, including the last five in a row. Overall they managed just nine goals and three of those came from one player, Madelyn Watkins. They did get one win and three draws and finished in seventh place.

**Petone Reserves** started the season with a 3-3 draw against Victoria University Reserves but unfortunately that was as good as it got for them losing the rest of the games, 10 of them by a margin of four or more, and they will be playing in Division One next season.

### Cups

#### **Kate Sheppard Cup**

For the first time in its 27 year history, the Kate Sheppard Cup, was won by a team from Wellington. Wellington United were the ones to do it after an epic COVID effected season which saw the final played at the end of March 2022, rather than September 2021 as was originally planned.

Their journey started in May with a home game against Premier Division side Kapiti Coast United (KCU). With KCU used to playing on Sunday's they struggled to get a team together for the Saturday game. They did manage to and in the end while losing 8-0 can be pretty happy with the performance their scratch team put in. In comparison Palmerston North Marist took on Premier division side Upper Hutt City and won 20-0!

Diamond's next game was against Waterside Karori and it was a tough one, it looked as if they were going out being 1-2 down in the 88th minute, when Emma Main chipped the keeper to take the game into extra time. Then with two minutes left and penalties looking likely, Courtney Stone got the ball just inside the half and sent a wonderful shot in to the top of the net to give Diamonds a 3-2 win.

The next round was another extra time win this time 4-3 over Palmerston North Marist, who really must be getting quite sick of coming up against Wellington United as they never seem to be able to win. Next up was Wairarapa United at home, in the league earlier in the season it was Wairarapa that came away with the win and coming into this game they had scored 23 goals in two games in the cup (14-0 v New Plymouth Rangers & 9-1 v Victoria University). The Diamonds were determined to make up for that league loss and dealt Wairarapa United a footballing lesson as they won 5-1.

So Diamonds were into the semi-finals for the 3rd time in a row. It was now a national round and they could be drawn against Christchurch's Coastal Spirit, Hamilton Wanderers or Auckland's Eastern Suburbs. For the third time in a row they were lucky with a home draw, this time against Eastern Suburbs.

Then in the week before they were due to play the game the country went back into a COVID enforced lockdown. While the rest of the country came out of it after a couple of weeks, Auckland stayed in one for a few months. After several reschedules the game was set for February but the

Diamonds opponents were to be Hamilton Wanderers and the final was scheduled to be played in Hamilton. However COVID intervened again! This time an outbreak in the Diamonds camp led the game to be rescheduled to March 27th in Auckland.

So finally on March 27th at North Harbour Stadium in Auckland almost a year since the competition kicked off the final was played and it was Wellington United Diamonds who triumphed 1-0 over Hamilton Wanderers, thanks to a second half goal from Sarah Alder, who was playing in her 149th game for the club, and the pinnacle trophy of New Zealand Women's Football came to Wellington for the first time ever!

#### **Kelly Cup**

The season kicked off with the 49th edition of New Zealand's oldest Women's football trophy, the Kelly Cup. Entries for the cup are all the teams that play in the W-League and the Capital Premier division.

The first round started off with a couple of big scores, Waterside Karori beating Victoria University Reserves 15-0 and Wellington United Diamonds beating Petone Reserves 10-0.

A high scoring match in the quarter finals saw Palmerston North Marist beat Wairarapa United 8-4

The semi finals saw Palmerston North Marist take on Waterside Karori and Wellington United take on Victoria University which ended 3-0 and 9-0 respectively, setting up a final between Wellington United and Palmerston North Marist.

It was a game that was an end to end affair finishing 3-3 in normal time before Wellington United took out the game with a late goal to win 4-3.

### **Executive Plate**

The Executive Plate, which is played for by all the tier two teams (ie Division 1-3) ended up an all North Wellington affair with North Wellington Reserves beating North Wellington 3rd 2-1

### **2021 MATCH REPORT**

Wellington United became the first team from the capital to have their name engraved on the NZ Football Foundation Kate Sheppard Cup after edging Hamilton Wanderers 3-0 in a hard-fought final at North Harbour Stadium on March 27, just over a year since the 2021 competition got under way.

Such has been the contribution of the coronavirus pandemic to the Cup campaign that matches have been deferred on numerous ocasions due to Covid-19 outbreaks, with even the final unable to escape - this match was originally scheduled to take place at Walkato Xadium a fortnight ago, only for Wellington to endure an outbreak which sidelined a third of their square.

The 2021 season can now be put to rest, however, after a match in which Hamilton certainly had their fair share of chances toclaim the silverware, the first of which materialised inside the opening sixty seconds.

Chebsea Elliott's ball forward was deftly flicked on by Helen Arjomandi into the stride of captain Maddi Ollington, who foundherself bearing down on goal with just Molly Simons to beat. But she hesitated at the prospect looming large before her, which allowed Uniteds skipper, Hope Glichrist, to close Ollington down and surfly out the threat.

Another materialised sixty seconds later when Rosie Wild uncharacteristically gifted possession to Arjomandi, who started thefinal one goal away from equalling Katle Rood's record for most goals scored by an individual in the listory of the competition. Her 37th Cup goal wasn't forthcoming on this occasion, however, with Gilchirst blocking the former Fortball Ferns't wentyfive yarder.

"The Diamonds" engineered their first opening in the sixth minute, Gilchrist heading Dani Ohlsson's corner past the far post, to which "The Blue Army" responded via Michaela foster's twenty yard free bick, one which Simons grabbed well - the 'keeper was rock-solid throughout proceedings for the heaten capability. We have the proceedings for the heaten capability and the proceedings for the heaten capability and the proceedings for the heaten capability.

This save allowed Simons to spark a tenth minute counter-attack, which culminated in Ohlsson presenting Emma Main to let fly from twenty yards as she joined the raid with a late but well-timed run. The former Junior Fern's strike flew past the post on this occasion.

After this early flurry, play settled down, but Hamilton were soon in the ascendancy. Arjomandi and Jordana Bremner combinedto open the way for Ollington to rattle the side-netting in the sixteenth minute, while two minutes later, Tiana Hill, Ollington and Fosterlinked up to pave the way for Ajomandi to evade a challenge before shooting early.

Simons smothered this effort, then turned Ollington's twenty-five yarder round the post after Shannon Trebes had picked out the skipper with a cross-field pass. Foster's resulting corner wasn't cleared, allowing Elliott to unleash a volley which was deflected ontothe crossbar and over. She headed Foster's subsequent set-piece narrowly over the bar, as "The Blue Army" gave Wellington's rearguard a thoro ugh examination of their credentias.

Soon, however, it was the team which had travelled further who were in the ascendancy, largely through the promptings of Main who was later named winner of the Maia Jackman Trophy as the Cup Final's Most Valuable Player.

In the 23rd minute she sent Ohisson scooting down the right, from where she delivered a low cross for Pepi OliverBeil to exploit. Rylee Godbold smothered this effort, and was relieved to see Main's volley fly over the bar two minutes later after she had easilybeaten Elliott before sending Ohisson thying down the right behind Trebes once more.

Ohlsson's cross was headed out by Elliott into the stride of Main, who couldn't control her first-time volleyed effort, hence its waywardness, a feat matched by Ollington at the other end of the park two minutes later, as Hamilton responded with another brief flurry of attacks.

Foster sent Arjomandi marauding down the left, and after outpacing the defence she slipped a shot past the approaching figure of Simons, only for the retreating figure of Zoe Barrott to come to the rescue, although she came within the width of a post of scoringan own goal.

Such are the fine margins on which Cup Finals can be won and lost. Fortune was certainly favouring the Wellingtonians at thispoint, and it continued to do so seconds later as Foster's corner into the goalmouth was scrambled off the line and cleared to Ollington orthe edge of the penalty rare, from where she sent the ball soaring beyond where she had nitended to direct it.

A torrid period of play followed with neither side gaining the upper hand, although United finished the half on the up via anAsha Strom corner which Gilchrist headed past the upright. 00 the score at the break, with Hamilton left to rue a few opportunities which, on another day, would likely have gone in. Woldth those misses come back to haunt them?

They hoped not, and began the second spell on the front foot. Bremner - a solid display - won the ball well before feeding Trebes, who pinged one over the defence for Arjonanal to latch onto. She held off two opponents before letting fit, only to see Simons turn her effort round the post -a super Sad minute save.

Foster's resulting corner saw Arjomandi's shot blocked by Simons. Wellington scrambled the ball to safety, and, two minutes ater, were celebrating the goal which broke the deadlock. Wild's driving runs out of defence were a feature of their play, and it was just such a manoeuver which was the catalyst for a change to the scoreline in the Selfn induce.

With the halfway line in her sights, Wild promptly released Ohlsson down the right, where, confronted by Trebes, she clippeda cross towards the near post. Rising in between defenders was Sarah Alder, whose deft glancing flick was sufficient to guide the bal beyond dorbold and just inside the far post -1-O Wellington.

Going behind on the scoreboard prompted Hamilton to redouble their efforts, and within three minutes they came desperately close to levelling the scores courtery Foster, whose fulminating thirty yard missile had 'top far comer' written all over it until sverving narrowly past the upright.

Five minutes later, Trebes won the ball in midfield, executed a sharp turn and let rip from range. Simons was right behind but this effort and one from Arjomandi thirteen minutes from time, which came after Olliver-Bell had been released down the left before picking out Alder with a low cross. Her shot was deflected past the post.

Eleven minutes from time, Main, who was by now suffering from cramp, found the wherewithal within her to win the ball in midfeld and surge forth before looking to work a one-two with Ohlsson. Main just failed to get on the end of her team-mate's cross, much to the relief of Godboid, who grabbed the ball greated with the control of the

Time was fast becoming Hamilton's enemy, and they laid siege to Wellington's goal during the last fifteen minutes, eight of which were added by referee Lindsey Robinson in response to numerous stopages throughout the half-eight minutes which have felt like an eternity to United's fram as they watched "The Diamonds" defending for dear life.

Foster worked a one-two with Lisa Evans in the 84th minute before linking with Bremner, who brought substitute Kim Maguire into play. The New Caledonian international turned one opponent, jinked past another, but couldn't direct her shot on target, a feat Arjmandi was unable to repeat two minutes later as Wild hooked the ball off her toes as the striker looked to capitalise upon the industryof Maguire and Ollington on the right.

Still "The Blue Army" pressed. Maguire's 90th minute cross was flicked on by Arjonandi for Elliott, now permanently stationedin attack. Her flicked header was grabbed at the death by Simon, who was well-positioned soon afterwards to deal with shots from Ollington - a drive through a crowded goalmouth following a partially cleared Foster corner- and the corner-taker, who started and finished a raid which also featured Elliott and Arjonandi.

In between times, "The Diamonds" went close to making the game safe via substitute Jemma Robertson, who bore down on goal orthe counter-attack, only to shoot tamely at Godbold, who was surprised by the weakness of the shot from a player who docked up her hundredth goal for Wellington in the 2021 season.

In the final minute of the scheduled seven of stoppage time, it was Main leading the charge for United, this time following an untimely stumble by an opponent on half-way. Downfield she steamed, her cramp a distant memory now, her sights set on clinching the cup with a last-minute goal.

Godbold denied her the glory on this occasion, tipping her shot round the post, but following the resulting corner, the soundof the final whistle prompted an explosion of joy from the Weilington players, Kate Sheppard Cup winners for the first time in the competition's rich history.

#### 2021 MATCH REPORTS - LAST TWO ROUNDS

By Jeremy Ruane

Southern United, and their numerous predecessors in national women's representative football, have rarely come close over the years to breaking out the champagne to celebrate winning silverware. Indeed, you're more likely to have found teams from the foot of the country propping up the table more often than not.

In recent years, however, there has been quite a transformation taking place down Dunedin way, the prime evidence to date being Dunedin Technical's 2018 triumph in the Kate Sheppard Cup.

Three years on, and the football communities of Otago and Southland can celebrate again, after Southern took out the South Central Series, the competition which replaced the 2021 National Women's League, in style at Logan Park on the final day of the six-week season, coming from behind to conquer Canterbury United Pride 5-3 in a thrilling finale which saw three teams disputing the silverware heading into the final round of action.

That this was the case stems largely from a fourth round encounter between United and Capital Football at Logan Park, a match won 3-0 by the visitors on an occasion when a home victory would have all but secured Southern their maiden title with two rounds to spare.

Capital had other ideas, however, and unlike their opponents in this contest, took their chances, Emma Main leading the way with an eighteenth minute effort which was supplemented by goals from Jemma Catherwood and Kaley Ward either side of half-time

That result allowed Capital to take the lead from Southern on goal difference, with Canterbury three points behind as they handed Central Football a 5-0 hiding at Massey University, Annalie Longo leading the way with a brace of goals after coming off the bench with half-an-hour having been played.

Pride captain Rebecca Lake potted a penalty prior to Longo's opener, with the Kates, Guildford and Loye, adding to Central's frustration before the Football Fern completed the scoring in second half stoppage time.

That result set up a critical encounter at English Park in round five, a match with extra special significance as it marked one hundred years since the very first interprovincial women's fixture in New Zealand took place.

Canterbury and Wellington were the combatants on that illustrious occasion, and a century on, their successors served up a humdinger of a contest in which the home team twice came from behind to win 3-2 and temporarily set up a three-way tie at

Come Sunday night, and Southern had returned to the top rung on the ladder after coming from behind to down Central Football 3-1 at Massey University, where Aimee Atkins gave the home team the ideal start in the eighth minute.

It wasn't long before United captain Rose Morton was taunting sister Sarah, however, as Amy Hislop levelled the scores three minutes later before firing Southern in front on the half-hour, an advantage they didn't extend until two minutes from time, when Margi Dias applied the coup de grace.

So to silverware Saturday, with both games kicking off at 1pm in recognition of the fact that three of the four teams began play with hopes of winning the league. A win or draw for Southern would bring an end to nigh on five decades of disappointment at representative level. Any other result opened the door for Canterbury and Capital to come through and claim the trophy.

To Petone Memorial Park, where Capital fulfilled their part of the bargain by battering Central 5-0. The contest was over inside twelve minutes, during which time Pepi Olliver-Bell struck twice. And after Anna Green thundered home a free-kick just after the half-hour mark, Jemma Robertson bagged a brace of goals in a two-minute burst around the hour.

By this time, however, the destiny of the title had all but been determined, as Southern had come from behind to lead Canterbury 5-3 at Logan Park, a scoreline which remained unchanged for the duration.

Kate Loye gave the visitors the perfect start in the ninth minute, but by the time Guildford had doubled the Pride's tally on the stroke of half-time, United had turned things round in emphatic fashion thanks to four goals in twenty minutes.

Chelsea Whittaker bagged a brace of them - she completed her hat-trick from the penalty spot four minutes into the second spell. Hislop, too, joined in the fun, as did Lara Wall, once of this parish, but now plying her trade in Christchurch, who in putting through her own net added further evidence to the argument that "You can take the girl out of the south, but you can't take the south out of the girl"!

Longo's seventh goal of the season, struck on the hour, was never going to be enough to turn things round for the Cantabrians, although it did confirm her as the Golden Boot winner - she was responsible for exactly one seventh of the 49 goals netted in this league during the six-week campaign, one which culminated in Southern spraying the celebratory champagne at long last.
