# 2018 Season Review

by Dave Webster

## W-League

The W-League was rocked by the news two weeks before the start of the season that Stop Out would be withdrawing. Several clubs turned down the opportunity to step up before Western Suburbs, sixth in Capital Premier the previous season, took the vacant spot.

**Wellington United** started the season with a 4-0 hammering of defending champions Upper Hutt City. That result put them top of the table and they stayed there all season not losing a game, scoring 71 goals and conceding just 9. They also made it to the semi final of the Kate Sheppard Cup and won the Kelly Cup. Most teams that used 35 players in a season would struggle to find consistency, that Wellington United did is a testament to them and the coaching team led by Guillermo Schiltenswolf. Dani Ohlsson won the golden boot with 13 goals taking her career stats to an amazing 84 goals in 55 games for United, not bad for a 17 year old!

The big rivals to Wellington United this season were **Wairarapa United**. Installing Paul Ifill as coach and attracting several players from Palmerston North Marist as well as Upper Hutt and Seatoun. They were the only team to take points of Wellington United when they drew 3-3 with them but try as they might they were unable to beat them losing out in the other two league games the quarter final of the Kate Sheppard Cup and the semi Final of the Kelly Cup.

Last season's champions **Upper Hutt City** were a shadow of their former self. Coach Wendi Henderson retired, and the reigns were taken over by Goalkeeper Cushla Litchwark. The club also lost their reserve team and struggled for numbers and effectively relied on 11 players, they finished 18 points behind Wairarapa and only ahead of Western Suburbs on goal difference.

For a team pulled together at the last minute, **Western Suburbs**, put in a credible showing. Backed by the Ole Academy they got student and NZ U17 international Maya Hahn back from Wellington United, she was joined by Tessa McPherson from Seatoun and US import and new head of women's football at Ole, Tory Schiltgen. While they managed four wins, they also suffered some large defeats, including 12-0 & 8-1 to Wellington United.

**Palmerston North Marist** bought in a new coach, Justin Palmer from Victoria University. They also had effectively a new team with only five players remaining from the previous season. This showed in their results with only four wins, although TJ Lynne-Lewis remained and again top scored with 12 goals.

Change was afoot at **Seatoun** as well with Alejandro Suraz Padilla taking over the coaching reigns from Gary Jenkins who moved to Petone. They didn't win a game until the 10th game of the season and it seemed Grace Surridge was the only one that could score any goals for them, netting five of their seven by that stage. The 10th game was around the time Annie Olsen came back from Injury and with her influence Seatoun went on to win four of their last six games but it wasn't enough to lift them from last place.

## Women's Premier

It was **Waterside Karori** that went through the season unbeaten in Capital Premier but it wasn't the walk in the park that their 10 point winning margin suggests with strong challenges for the league title from Victoria University and Wellington United Sapphires.

Waterside Karori picked up the Barrott sisters, Katie and Zoe, from W-League Upper Hutt City and they anchored a defence that conceded only five goals all season. While Courtney Stone with 15 and captain Millie Lynskey with 13 were the top scorers. It will be interesting to see how they fare in the W-League next season.

Despite losing Defender Rosie Wild to Wellington United and 22 goal striker Nicole Baird to injury for the majority of the season, **Victoria University** drew one and lost only two games all season with Ella Reilly leading the scoring with 12 goals.

**Wellington United Reserves (Sapphires)** were one of the few women's teams to have a women only management team with Maika Ruter-Hooley & Alice Cooke-Harvie leading the young team. While using 41 players they relied on a core of nine and Nat Olson top scored with 15 goals in 12 games and was also selected for the NZ Secondary Schools U19 team tour to the USA next year (along with Wellington United's Dani Ohlsson and Genevie Berry) . They looked as if they'd challenge for the title until the last three games which they all lost and saw them finish in third place.

**Petone** recruited the previous Central League winning coach Gary Jenkins from Seatoun. Any hopes the club had that Seatoun players would follow him were unfounded. Petone put in credible performances winning seven games and finishing fourth, Of particular note was Libby Boobyer who in scoring 23 goals in the season include scoring totals of 1,2,3,4,5 & 6 goals in different games.

**Kapiti Coast United** had some big wins (12-1 v Island Bay, 7-0 v Stop Out) but their seven wins were matched by their seven losses and while Vanessa Holmes top scored with 26 goals in 15 league and cup games they finished mid table in fifth place.

**Brooklyn Northern United** lost their top goal scorer from last season, Bianca Heffernan, to injury and were unable to replace her. A solid team that has been together for some time now found themselves on the wrong side of the score line too many times and only managed two wins and two draws and finished in eighth place.

**Island Bay United Flames** were a team that has been together since they were in the juniors and had comfortably won Division One last season. They found the step up to Premier league quite challenging. They formed an alliance with W-League side Seatoun to act as their reserve team and despite some Seatoun players dropping down to play for Island Bay they found it a step too far winning only two games and conceding a massive 70 goals and finishing in ninth place. Only surviving relegation due to the W-League expanding to eight teams for next season.

**Stop Out** showed why they were right to withdraw from W-League with only three players remaining they only picked up two points during the season with two draws in the last two games of the season. Eight of their 14 games involved defeats by five or more.

## **Cups**

Wellington United were the most successful getting to the semi final of the Kate Sheppard (newly named National Knockout Cup) going down at home to eventual winners Dunedin Technical 4-2. They were more successful in the oldest women's trophy in New Zealand, The Kelly Cup, beating Waterside Karori 2-1 in the final to become only the 13th different winner of the trophy in its 46 year history.

The Executive Plate was won by North Wellington, beating Victoria University reserves 2-1 after extra time. The North Wellington Keeper the hero saving a last minute penalty in a result that gave them the league (division 1) and cup double.

2018 MATCH REPORT - FINAL

The Canterbury United Pride have claimed their fourth National Women's League title in six years with an enthralling 3-2 victory over the Northern Lights after extra-time at Trusts Arena in Auckland this afternoon.

While Monique Barker notched the deciding strike, competition MVP Annalie Longo proved the difference between a pair of very evenly-matched teams, scoring twice in the first half as Canterbury went on to bring the title back to Christchurch in thrilling fashion. FIFA U-17 Women's World Cup heroine Gabi Rennie also played a key role in the win, having a hand in all three goals for the Pride.

"It feels amazing, I'm just over the moon with the campaign as a whole and then today's 120 minutes of battling hard," Canterbury coach Alana Gunn said.

"It was a thrilling game and I think it showed that both teams were full of quality to take it to extra-time like that. We managed to get into the lead and then were happy to I guess take a battering and holding it out," she added.

"You can't fault that Cantabrian will to be the best and to win – that's what we came here to do and we've done it."

That taste of victory appeared a long way off early on though as the Northern Lights began brightly and took the lead when Jane Barnett capitalised on some hesitant defending to drove home a strike from just inside the box.

But the minor premiers were only in front for ten minutes, Longo equalising when the Lights failed to clear a Rennie cross and the Football Ferns playmaker pounced on the loose ball to fire it past goalkeeper Anna Leat. Longo had her second just past the hour mark when Rennie again caused problems for Northern, picking up an under-hit pass before feeding her captain to slot home from close range.

The South Islanders weren't able to go into the break a goal up though, Northern captain Claudia Bunge getting her head to a deep corner with just five minutes left on the clock to make it 2-2.

The second half failed to live up to the goal-laden excitement of the first but was just as gripping as a hard-fought encounter continued to unfold at a sun-soaked Trusts Arena. With the heat taking its toll and many players with heavy legs after recently returning from international duty, clear-cut chances proved hard to come by in an energy-sapping second spell and extra time was needed to finally separate the sides.

The thorn in Northern's side again proved to be Rennie, the pacey winger breaking down the right and evading a challenge before crossing for substitute Monique Barker to tuck away what proved to be the winner towards the end of the first half of extra time.

The Lights piled on the pressure in the closing stages but struggled to find a way through the Pride's resolute defence as the visitors held on to claim yet another title after surrendering it to Auckland Football last year.

"It's obviously disappointing for us because we felt like we could have got more out of the game," Northern coach Gemma Lewis admitted.

"But, at the same time, the girls put a shift in and did everything they could. I didn't know if we were going to be able to last extra time but we actually ended up being the more dominant team and really went for it. So I'm super-proud of them, it's disappointing but we'll reflect on this and I'm sure we'll see it as a successful campaign."

2018 MATCH REPORT

Dunedin Technical have made history today when they won the inaugural NZ Football Foundation Kate Sheppard Cup for the first time.

The Graeme Smail coached team, who were the first team from Football South to make the final of New Zealand's premier women's knockout competition, dominated the match from the outset and won the final on the back of a commanding first half performance.

Tech scored four goals – from Mikaela Hunt (2), Lara Wall and Emily Morison - in an impressive first half showing to take a 4-1 lead into the break. It proved to be the defining period of the match.

Forrest Hill Milford United, the favourites to lift the trophy for a second time, fought hard to get back into the game with a couple of fine goals from former Football Ferns striker Jane Barnett, but Dunedin Technical were good enough to hold on for a memorable win in the fine and cold conditions at QBE Stadium in Auckland.

Smail, the Dunedin Technical Head Coach, said lifting the trophy was a special moment for the club in his swansong season.

"This is massive for us. We have a pretty proud history. We have our centenary in 2020, we have won the Chatham Cup once and been the loser in the final on two occasions, but this is just fantastic for our club. There is a bit of heritage there, but not in the women's game so this means a lot," he said.

Shontelle Smith, who drove most of Tech's attacking play from midfield and set up two of their goals, was named as the player of the final and the recipient of the Maia Jackman Trophy.

"This means the world," said the 21-year-old. "We came up here and thought that if we play our best and get beaten then that is ok, but we played our best and we won. This is huge for female players in Football South because we don't get a lot of recognition and hopefully this will change that."

Smith said she found it hard to believe when she watched the team score four goals in the opening 45 minutes and get off to a dream start.

"I was in a little bit of shock. I was thinking 'Are we heading for a 6-0 score line', but they pulled one back and it brought them and us back down to earth. We thought 'They are still here and we hadn't got the job done yet'. To finish it off was pretty special."

The game started in ominous fashion for the Northern Football side when Dunedin Technical were immediately on the front foot with Chelsea Whittaker having two early chances on goal which she could not convert.

Mikaela Hunt opened the scoring for Tech in 10th minute. The 20-year-old centre back produced a powerful header from a corner kick as they took a deserved 1-0 lead.

That early strike had the Dunedin Tech fans, who had made the long trip north for the final on their feet, but there was more to come. Tech took a 2-0 lead five minutes later when forward Lara Wall went on a searching run down the left flank and then chipped the keeper for a fine goal.

Forrest Hill Milford United were reeling, but got back into the game when former Football Fern Jane Barnett found the back of the net. The forward, who scored a hat-trick in their semi-final win over Glenfield Rovers, showed her strength and produced a fine finish in the 21st minute.

Dunedin Technical were not deterred and they came back again. Five minutes later, Tech regained their two-goal cushion as Mikayla Gray showed good strength to hold off a challenge and then feed Emily Morison, who fired home for 3-1 lead.

The score line kept getting better for the southerners when Hunt notched her second with a special finish. From a free kick, the up-and-coming centre back produced a perfectly placed header which beat Emily Couchman in goal. Dunedin Technical went into the sheds on the cusp of history, but there was still a long way to go.

After the break, Barnett got Forrest Hill Milford United back into the final again with one of the best goals of the final. The 21-year-old, who was one of the standout players in the Kate Sheppard Cup Final, turned on the edge of the area and found the far top corner with a powerful strike.

The Swans, all of a sudden, had plenty of belief and looked to close the gap to within one. But Dunedin Technical did not lie down and they were unlucky in the second half to not add further goals to scoreline. Smith hit a spectacular shot from long range, only to be denied by the crossbar. In the 70th minute, Wall also hit a dangerous shot from the edge of the area which also hit the crossbar. Forrest Hill Milford United, with their experience of the Ferns and the NZ U-20 Women, fought hard in the final 20 minutes but could not find the back of the net.

Dunedin Technical held on and made history. They were deserved winners of the inaugural NZ Football Foundation Kate Sheppard Cup.
